**NARRATIVE:**

Martinez has an adult criminal history that began at the age of 28 and includes convictions for 2nd degree burglary (2x), unauthorized possession of a syringe / needle and possession of a controlled substance. Martinez has served multiple state prison terms, the longest a six (6) year term for 2nd degree burglary. Martinez was released from state prison to the supervision of the Los Angeles County Probation Department on June 14, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in August 2013 after Martinez absconded from post release community supervision (PRCS). Martinez qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for 2nd degree burglary is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
